UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

SOLAR JUNCTION CORPORATION

Plaintiff,

-v.-

IQE PLC,

Defendant.

18 Civ. 2564 (KPF)

ORDER

KATHERINE POLK FAILLA, District Judge:

The Court is in receipt of the parties' joint status letters in these related cases. (No. 17 Civ. 9478, Dkt. #84; No. 18 Civ. 2564, Dkt. #81). After carefully reviewing the parties' submissions, the Court finds that a stay in the *Chung* action is unwarranted and that briefing should proceed on the parties' motions to confirm the arbitral award, vacate the arbitral award, and dismiss the *Chung* action. With that in mind, the Court ORDERS the following briefing schedule: all opening motions from all parties shall be filed on or before **March 20, 2020**; all opposing papers shall be filed on or before **April 20, 2020**; and all reply

papers shall be filed on or before **May 4, 2020**. The Court will waive its usual requirement of a pre-motion conference, finding that such a conference is unnecessary under the circumstances.

Furthermore, the Court hereby ORDERS the stay in the *Chung* action lifted.

Finally, the Court DENIES Defendants' application to consolidate their cases. The Court considers the cases functionally consolidated and will consider the briefing from all parties together.

SO ORDERED.
